

# TOTAL POS CASHIERING SYSTEM (TPCS)

Digital Data Corporation latest System. The **TOTAL POS CASHIERING SYSTEM (TPCS)** to upgrade your existing system. This system uses the latest cashiering systems similar to systems used by retail malls (SM, Robinson, and Mercury Drug) and Bayad Centers.

## Advantages:

- ✓ Secure, safe, fast
- ✓ BIR Accredited
- ✓ No need for pre-printed forms
- ✓ No need for OR to be pre approved by BIR
- ✓ Immediate cost benefit due to use of cheaper papers and no need of using ribbon and ink.
- ✓ Guarantee integration with your current Billing & Collection System
- ✓ Secure automated cash drawer
- ✓ Updates your cashiering system
